1 Introduction

HIP HOP UNITE continues to expand around the world, reaching out to athletes, coaches, volunteers, sponsors, the media and the general public. As we grow, it is critical that we project a powerful, consistent organizational identity.

By establishing easy to follow guidelines we wish to give a common understanding how to use our logo. We realize that not every application has been or could be given. But we ask that if you are not sure, contact FISAF International Main Office.

2 Guidelines to use Hip Hop Unite Logo

The HIP HOP UNITE logo should be used on all communication materials. The following standards apply for all media of communication, including the Web, print collateral, news articles, event signage, direct mail and promotional items.

When referring to our competition/organisation, the full name is HIP HOP UNITE.

The logo can appear in the following colors only:

- black and white with white background (please see above)
Color code White: RGB: 255-255-255, Hex # ffffff
Color code black: RGB: 0-0-0, Hex # 000000
